“ *Sammy and Family, I was so saddened by the loss of Mr. Alfred. I was blessed to have met him while working at the Saluda Nursing Center. We had many wonderful conversations together about the farm and his years in the service. He was a great storyteller and a true Southern Gentleman. He will be missed. May God give you comfort at this time. Sincerely, Janice Powell*

“ *Sammy and Dora! My heart goes out to you! So many memories of always going to your house to play and eat and run around the farm! Loved helping clean the eggs but hated the chickens!! And the steaks and peach ice cream!! I can still taste them and am wishing I had some of that ice cream now!! And the pool games...never did figure out who won...Dad, Alfred, or you! The lightening bugs! Great times!! Hugs to you all!! And, you know Dad and Alfred at the best fishin' hole now!!*

“ *I send to all of you love, sympathy and prayers. Have so many good memories of Alfred, , and they will live on. During the next few days I will spend time recalling lots of them from the Sunday afternoons daddy and mother would take us to visit uncle Brooks and Aunt Sammie Lou and Alfred when we were children until just our telephone visits in our very senior years with lots of good times in between... - Drucie*
