“ *Robert, Michael, Angela, Braeden, Patricia, Ed, and other family members,
Amelia was a good friend and I will remember her sweet smile and her laugh. We were in Sunday School together and enjoyed some good times. I know because of her illnesses she was not able to attend for a long time, but I tried to keep in touch with her a little bit, but it just wasn't enough. I wish I had done more. I know she is at rest now and is no longer suffering, but we will miss her here on Earth. No more suffering. We grieve for ourselves because we are the ones left behind. She is now safe in the arms of Jesus. Praise God!*
