“ *Aunt Patricia and Russell,*

*We are so sorry for the loss of Uncle Ben. He was a wonderful man and always was very kind to me whenever I saw him growing up. I remember him working hard and taking care of Chapin High School's athletic fields, and I would always say hello to him if I saw him on campus or before football practices. Grandmama would talk about him often and you could easily tell he was her brother when you saw his warm, pleasant smile. We're keeping all of you in our thoughts and prayers.*

*Love,*

“ *My sympathy goes out to Pat and Russell. I have not seen Bennie in many years. But I have a lot of great memories of Bennie at Persimmon Hill golf course in the 1970s. As the golf course superintendent, Bennie really kept Persimmon Hill in immaculate shape and made it one of the most popular golf courses in South Carolina.*
