“ I have many great memories with Bessie when I was a child going to stay with her in Folkston, GA for many weekends, helping out @ auctions, which she loved & traveling with her. She also had another son, my father~ Ivan Smith of whom she adopted when he was only 7 years old. She was a mother to him after his own mother passed when he was a young child & I will always be thankful & grateful for that. You will be dearly missed by many grandma Bessie. R.I.P. <3
