“ I'm so sorry for your loss. I adored the time I worked with Grig at Pelion High School when I was an Assistant Principal under Jean Haggard. So trustworthy, so kind, and so darn funny. His humor helped make a tough day bearable. One time he brought an abused child to me because no one else she had told believed her. Her abuse allegations were true and I insured the perpetrator was punished. What a good man!

“ Prayers and thoughts are with the family. I can still hear his voice when i was caught doing something wrong (roy dean) he would say. He was a man full of wisdom and wise words. Can remember the conversations we would have about cows and the simple life. He was one my very first role models. So long my friend but not good bye.

“ A man of quiet strength, deep wisdom, and unwavering kindness — Mr. Herlong touched countless lives with his big presence and big heart. He led by example, taught with grace, and always kept on track.

Though he may no longer walk among us, the legacy he leaves behind will continue to guide and inspire.

Rest in peace, Mr. Herlong. You will be deeply missed, but never forgotten.

“ I loved Mr. Herlong very much! He was my football coach and always looked out for me throughout my middle school and high school years. He questioned my boyfriend decisions and when I told him I was getting married he sat me down and talked about my life and future. He was more than a teacher figure but a father figure. He was truly a wonderful man and I think God he was in my life over the years when I needed him most. He will always have a special place in my heart.

So sorry to learn of Grig's passing. Although we were fierce rivals on the football and baseball fields in high school, we became good friends after you and him returned to Saluda. Wanda and I will keep you and your entire family in our prayers and may God give you comfort during this time.
