“ I ran into Bonnie after Christmas at Walmart, she was buying Christmas sweaters. She said they had a good price so she was gonna be ready for next Christmas. Guess we stood in the aisles a good 40 minutes talking and laughing. I know she said she was having some health problems but this is certainly a shock to see this. I am so happy she is back with the love of her life. God certainly knew what He was doing putting those two together. Now they are with each other for all of eternity. Condolences and prayers to the family.

“ You will be missed Aunt Bonnie. As we say our earthly goodbyes, our precious Lord is welcoming you in Heaven. It doesn't get any sweeter than that. Christmas Eve won't be the same without you.
