“ Byron was a wonderful man, he was a hard working and wise man, he helped so many people , and would get them out of trouble no matter when or where it was. I always enjoyed his company, especially during Deer season. He was an avid hunter, and sportsman. We had a road up off the chapels hwy. that we called Byron Rd. because he always loved to hunt there. One time I was walking back up the road from hunting a long ways from my truck, he stopped and asked if I wanted a ride up there, I thought how did you know where I was. He had a sixth sense. He loved people and his family. We will all miss him, and hope to see him again some day up in heaven. My prayers are with the family, Especially his wife who is a wonderful Minister of the Gospel of Jesus Christ , Love in Christ Rev. Dennis Campbell

“ Byron was a good friend to me for a very long time. He was a genuine guy and good person. Everyone always spoke very highly of him. I loved his smile and laugh most of all, besides his kindness and willingness to help. He loved his family and seemed to be a very patient person. I was proud to have him as a friend.
