“ *Mark,
I will always remember you as a quiet, kind, and devoted gentleman. You always treated me great when I would come to visit, and spend time with Tim, while we were on break from school. There is no doubt in my mind, that you are with Our Lord watching down upon us, with that humble kindness you always expressed here on earth. Rest in peace Mark. It was a pleasure to have known you, and be a dear friend to your family.*

“ Remembering Mr Mark Godwin
Kindest and most friendliest man there ever was. Do believe he would literally give you the shirt off his back and pants if you needed them, full of God's love all the time. Kindness that went far beyond character and had a thing for pretty women showed up at there apartment once just my wife and I and he was so excited I thought to see me but lol it was my wife that caught his eye and said there had never been a prettier women ever entered his place before her. Full of kindness and the love of God. Bless him as he will surely be missed here on earth by all. but now enjoying being home with his father and maker. Bitter sweet for us family members that loved visiting but never enough with life's goings on. Just knowing he's home is well worth it although sadden by the loss. But rejoicing the time we had spent together. God Bless and may he have ever lasting peace. With all our hearts we love you . Joe and Wynne Alexander
