“ *Sharon...on behalf of Chad and myself, we were deeply sadden to hear of Charlie's passing from this life on earth. From the brief time that I got to be his friend, it was good for me. I know that Chad thinks highly of you and wanted you to know that you and the family are in his thoughts and prayers. Chad always enjoyed his visits and talks with Charlie. He truly felt like an equal when with Charlie. As the parent of a specially gifted son like Chad, it warmed my heart to see this in Charlie. I know that he had a good heart and was indeed a good, good man! We will miss him on this earth!! May God be with you in your loss. Cherish the memories and love that you have of Charlie. Sincerely, Paul and Chad Quattlebaum.*

“ I am very saddened to hear of Charlie's passing. I know that the last few years have been a struggle for him. I got to know him when I started elementary school and he was one of the nicest people that I have known. I feel blessed to have known him. He expressed concern for me as I have experienced some foot problems lately. I guess that his attitude was that even though he was hurting, he wasn't the only one and he was more concerned about them than himself. That is a true friend.

“ Charlie and I have been friends for over 47 years. From 1st grade to now. He had a huge, giving and caring heart, His love for his neighbor will surely be missed, and we all can take a lesson from Him. Sharon, Tiffany and Ashley, I pray for God to wrap His loving arms around you in the days to come, and I'm here for you anytime. Love you.

“ *So sorry to hear about Charlie. He will be missed by so many, he was one of a kind. Charlie and I went to school together, what a good friend and classmate he was. The class of 1980 sure lost a good, kind, caring and loving person. I shall miss his wit and personality not to mention his big hugs and smile. Love you, charlie. My prayers and thoughts are with each of you that Charlie loved so much.*
