“ *Chrissy was such a ray of sunshine. I worked with her mother, Uschi, for many years and we developed a lasting friendship. Chrissy was Uschi’s best friend, her sidekick, and her whole world. Chrissy would send me messages frequently and her messages would brighten my days. Chrissy was an amazing individual. She was untouched by the negativity in the world. I don’t think I ever saw her without a smile on her face. My deepest condolences to the Maffett family during this time. My thoughts and prayers are with you all.*

“ I met Chrissy at Bingo with her mom . I explained to her that I had one of her sister's puppies. We began chatting and she was so excited to know that I had a puppy. Every time I saw her she would always come over and talk, we would laugh. This has to have been about 20 years ago. Then we became Facebook friends, she always posted positive words on my page. We would talk thru messenger. It breaks my heart as I'm writing this today, as I was checking interested in an event, Chrissy had also checked interested in the event at Saluda Shoals. I cried for her and her loved ones. She is now walking the streets of gold with loved ones and new friends. Rest in peace.
