“ *Gene and I wish to extend our deepest sympathies to all the Shealys at the loss of your Mother and Grandmother! Us cousins will miss her also! We went to see her one pretty warm Spring day and couldn't get her to the door so we decided to look in the yard and there we found her weeding her flowers! She was 95 then as I remember! We had to promise not to tell Eddie as she was still by herself then and had been instructed not to work in the yard! It was a hot day also!*

“ *I am saddened to hear of Ms. Christine's passing. She and my mother were good friends for years. Several years back, I took them, along with Mrs. Vera Crouch and Mrs. Akemi "Reka" Powell to John Bennett's Country Christmas. And she had to be one of the most dedicated church members that I have known. Unless something was wrong, she was at Saluda Presbyterian every Sunday. Prayers to her family. She will be missed.*
