“ *Emily and family*

We will have you in our thoughts and prayers during the coming days. Rick was a very special person. I really appreciate all he did for my late Mother, Edna Gilmer. I was visiting Mom one day when Rick showed up with a truck load of cut firewood. He backed up to the barn and Miss Edna went out and showed him how she wanted it stacked. Rick grinned real big and started stacking it exactly as she told him.

It meant a lot to Mother when you and Rick visited her when she was in Spartanburg.

Rick will be missed by many people. God has said good job faithful servant.

May God Bless and Uplift You!

“ *One thing about my brother-in-law, if you didn't want the truth, don't ask Rick, and sometimes you would get it without asking! I can see that grin of his when I would tell him he was my favorite brother-in-law. He would say "Judy, you know I'm your only brother-in-law."*

“ Rick was a dear part of my life as a little boy. He and Don Always found the time to take up with me and I appreciate it looking back on those times. They would pick me up and spin me around turn me upside down. They always had time for me. I send my deepest heartfelt sympathy to Emily and all of her family with assurance that we will see him again in a much better place as we have been promised.
