“ *Condolences to Shirly and the family. I was a new 2nd Lieutenant when I served under Wayne when he was the 3-178th FA Battalion Commander. Over the years we became good friends and he was a good mentor to young officers. He was always encouraging and challenged us to maintain the highest of standards. He had a big smile and easy manner that made you like him immediately. I was fortunate to have known someone like him early in my military career. RIP Commander! COL (Ret) Randy Clayton*

“ My first job out of college 45 years ago was at State Farm working with Wayne. He was a good ‘un! His integrity was above reproach, his love for family immeasurable, his devotion to helping others immense, and his faith was deep and strong. He is one of the top 3 of the finest men I ever worked with. I am grateful to have known him. My family would say Wayne has been promoted to Heaven. I will carry his family in my heart and prayers in the weeks and months to come.
