Thinking of y'all and your Dad's Minick's Texaco Station . You are in our thoughts and prayers. The wrecker truck parked in front of the station, yesterday, was a fitting memorial to him.

“ *Daddy was the best father anyone could ask for. He taught me things in life that has helped me everyday. I will always remember the great fishing trips and many vacations we had together as a child and as a adult. I will always remember the days we worked together at Minick's Texaco and the mechanical knowledge i gained from him. He was there for me when I most needed him .He and mama taught me to be honest, respectful and trustworthy and a christian person and I thank him for that.He loved people and mostly loved helping anyone when he could. He is in a beautiful place now in heaven with mama. He will be missed but will always live in my heart. Love you daddy and give mama a big hug and kiss for me. Thank you also for being a good loving father in law to Linda and your grandchildren and great grand children. Love you daddy.*

Your son,
Terry

“ *It has been such a great honor and pleasure being a younger blood brother of Corburn! It was good living with him, seeing him get married to Becky Wheeler, and seeing and knowing all that he accomplished during his lifetime! Corburn was a God Loving and people loving Christian and we all can know where he is now in the place that Jesus has prepared for him! Our Spirit is looking forward to be with your Spirit some day! I send my love to all of Corburn's family and wish Peace in everyone's heart!*
