“ Dear Mrs. Sarah Nelly, Mr. Bob, Blane and Family  
I just saw this sad news today. I am truly sorry for not being there for the services. I don't always get news from Saluda now. My memory of Deborah at church and at school and climbing the fire tower is fond. Getting to take the horses to the beach and ride for my 16th birthday is something I only did the one time and so special. Thank you for letting me be a part of your life. With deeper sympathy than I know how to express,
