“ I was sorry to hear of Don's passing. We graduated from Saluda High together in 1970. I enjoyed visiting with him and other classmates at one of our reunions. We reflected upon life in Virginia - I have lived in Norfolk for 34 years and didn't know that Don was stationed in Newport News in the late 80s/early 90s. Please accept my condolences for your loss - he was a kind, thoughtful and accomplished man. He will be missed.

“ So sorry to hear of Don's passing. I was recently in Saluda visiting my Mom. We took a long drive through the county, passed by the Hancock home place and thought of the family. I have great memories of Don as an energetic Scout with my friends that were a Scouts, and Don's overall outgoing personality. I am amazed at Don's accomplishments and feel very privileged to have known him. Don represented Saluda County well.

“ I reported for Marine OCS in 1975. Immediately, I found three "brothers" among the group of newly minted Marines. We four became best friends; Don from South Carolina, John Nunn from Georgia, Jack King from North Carolina, and me the token Yankee from Ohio. Don was impressive in every matter of fact. It was evident that his parents had provided a positive loving home environment from which he matured from youth to manhood. As he had done in all previous endeavors, Don embraced his passion for the Marines, and served an exemplary career. I am grateful that I had the good fortune of having Don as one of my "Marine Brothers", and honor his service to his Country and his Community. Our thoughts and prayers are with Don's family.

“ I didn't know Don very well, but saw him each year, the day after Christmas, at my family's reunion in Saluda. He was always a joy to talk to and I always looked forward to seeing him. I'm so sorry to hear of his passing. His family will be in my prayers.

“ I remember how thrilled I was when Don, home on summer break from college, coached a Little League team -- and let me serve as his assistant. We would drive to practices together in his little blue car (can't remember the make). He was a great coach, enthusiastic, always positive and very patient with the kids and his assistant. The kids loved him and had a great time playing for him. That was a special summer for me as well.
