“ I am going to miss Mr. Donald terribly, I loved him and always enjoyed seeing him around town. He was the best conversationalist! The stories he could tell. I take joy in knowing he is back with Miss Winnie, he sure loved to take care of her. He was a wonderful person who always supported the young kids in town. Donna, Russell and Kenneth, you have my prayers and thoughts with you and your families.

“ I am so saddened by the loss of Mr. Winn. He was the sweetest man. He would come buy chewing gum at the store and talk for hours about his late wife children his resteraunt or just about anything. He would always make the day better.

“ *Oh so long ago when I was a student at Newberry College and worked at Winn's Restaurant. Those were truly good days and I appreciated the trust Mr. Don and Mrs. Winnie showed in a young person trying to make some extra money for school. Our family always enjoyed eating there. Mrs. Annie Mae Matthews was just the BEST cook. All of you I hope are up there cooking away in heaven and sitting around the tables talking and having coffee with the old gang including Dave Werts.*

Donald Winn was a fine person and enjoyed talking to him for about 2-21/2 when I would run into him. He was a good man and raised 3 fine children. I always called him Pitts and He called me Pooh Bear.He supported our football team back in the late sixties at a time when it wasn't always easy to do so.Our community has lost a mighty fine man and an interesting conversationalist. The stories he could tell. I"miss him terribly.
