“ *Ms. Donnis, as I called her, was one of the teachers at Riverside Middle who welcomed me as a new teacher 45 years ago. I taught next door to her and leaned into her wisdom about teaching. I am blessed to have had her as a mentor that first year of teaching. I credit her with getting a good start in education and being a successful teacher for many years. Sharmen McAlister Oswald*

“ *Mrs. Fulmer was my teacher at Saluda Junior High. My favorite story was when a bully was bothering a quiet girl. She raised her hand to tell on him. Mrs Fulmer told him to stop bothering her and also said, “ if he bothers you again knock the starch out of him!” Ten minutes later he sailed out of his seat as that quiet girl backhanded him. Needless to say he didn’t bother her again! Those days were so much better than classrooms today! She was one of the best!*
