“ Miss Doris was such a special person. She was beautiful inside and out! She will always hold a special place in my heart and I miss her greatly. She would sit while I was doing her hair and talk about her family and how much she loved them. She told me many times she loved me and I loved her too. My prayers go out to her family and she will be missed so much, but I will rejoice in the knowledge she has seen the face of Jesus.  
I love you Miss Doris!
