Thank you Bob and Ann. You are both very special and mean so much to Saluda and its residents. You were so kind to Mrs. Dot several years ago when she was admitted to the nursing home for rehab following a fall. Thank you for everything.

Thank you William and Naomi and thank you for sharing the memories of Mrs. Dot and Willard picking up the boys from the nursery when I worked over-time at the hospital years ago. She loved all her grands and will be missed so much by them.
