“ Dwight was such a special person, one who could put a smile on your face with just his presence. He always had a nice compliment to share and made all of us ladies feel special even us older ones! He loved his truck and what he did, he took his job very seriously. He will definitely be missed by his work family at Lexington County Fleet Services. Our hearts go out to his family, and friends...we pray Gods sweet comfort and peace over each one of you...

“ I am so sorry for your loss, I new Dwight {Booger} for the past 11 years through dealing with the crew of Lexington County Public works. He was always a fun loving man who loved to pick & cut up, and he never was at a loss for words even if he did not know you. I always told him he never met a stranger, it was just a friend he had not met yet. You always knew where you stood with him too as he would speak his mind and tell you just what he thought. He loved driving that dump truck and was proud as a peacock when he got his new one some time back. I will miss seeing him around at the shop yard and office when I come by. He may be gone and will be missed, but not at all forgotten. You are all in my thoughts and prayers during this difficult time.
