“ My condolences to the Silk family. Fred was great employee and he will be missed. He was an associate in my team for several years. I am glad our paths cross. He was always pleasant and had a smile on his face. Even when we no longer worked together in the same team, we would sometimes run into each other in the hall and we would briefly carry on a conversation catching up on what is going on in each other lives. The Silk family will always be in our prayers.

“ Fred and I started working at BCBS on the same day nearly fifteen years ago, and I enjoyed the many conversations with him over the years. He always had a smile on his face and was a pleasure to be around. He will truly be missed. Although I don't know his family, I will be praying for them in this difficult time and want them to know that Fred's wonderful personality and humbleness will definitely be missed in the workplace.

“ I am sorry to hear of Freddie's death. He and I worked together in the late 1970's/early 1980 at the Piggly Wiggly Supermarket when it was on Jefferson Street. He was always friendly and a pleasure to work with. He will be missed.
