“ Hello, Harold, this is Ken. It has been one year since your earthly life ended. Just wanted to let you know that I think of you most every day. Thanks for getting me started with beekeeping, for the good times we had camping, and for the anticipation of trips planned. Most of all, thank you for being a very dear friend. Take care my friend.

“ Ruth and family. I just learned of Harold's passing. I got to know Harold while we were students at Haywood Technical College in Waynesville. After graduation we went on to work with International Paper in separate areas.

May God Bless.

“ *Ruth and Family,*
We are so sorry to hear of Harold's passing. It was always so great to see the two of you when you were at Balsam and were able to come to church. Harold would never fail to ask about Mom and I appreciated that so much. He always had a smile on his face and we know he is with our Heavenly Father today. May God comfort you and your family.

“ *One of the fondest memories I have of my childhood is waking up really early with my dad and driving to Mr. Arringtons house for a morning hunt. Throughout my childhood I had many adventures with the Arrington family and I still think about them to this day. He and his family will always have a special place in my heart.*

“ So very sorry for your loss, he was a wonderful person, a little terrifying when I was little but I loved him anyway. He was just that way .he was a special cousin and will be missed but uncle Frank and my dad must be overjoyed to greet him at the pearly gates.
