“ *It seems like just a few months ago we were 7 or 8 years old
Time does not stand still before you know it our time here is over*

We all got to share some of this time with Patti and Mike before Mom and Dad passed

*Then Gene and now all of our aunts and uncles
Now we are the older generation*

*Patti suffered a great deal the last several years with medical issues
she was very tough and survived some serious ailments*

*I thought that she would bounce back this time as she did in the past
but this was just to much - and losing Mike just the week before
was enough for anyone*

I know that she is now in Heaven with no more pain and suffering

*Patti and my wife Jean talked on the phone often and I got to talk to her too
I just now wish that we had visited more and I had talked to her more
We will miss her and Mike*

“ *My prayers, love and condolences to my cousins Robert, Bing, Terry, Kathleen and Lecie, and to Dove Gift Patti's extended family. May she rest in peace.*

“ My prayers go out to Patti's family. She is healed and with The Father and her beloved husband Mike. Patti was my idol when I was a youngster. She was my oldest female cousin and I thought she was so beautiful and sophisticated. I always wanted to wear makeup and fix my hair in that "French twist " like hers. She was always so faithful to keep in touch with Aunt Marguerite throughout the years and made her feel special. May her beauty and kindness radiate throughout eternity.
