“ I remember one summer, I was spending time with Uncle Obie - and we decided to go up to Uncle Chucks house with Uncle Ferris. I was really starting to get into fishing, and Uncle Chuck set us up to fish in the pond next to the house.

We had our bamboo bobbers out, it was myself and my sister Annie and we had so much fun just catching fish all afternoon. Uncle Chuck, Obie and Ferris were just laughing and having a blast.

I believe that same afternoon we had a fish fry and cooked up some of the best food I remember.

While I wasn't down in SC that often as I would have liked with family, Uncle Chuck always treated us as his own and made us laugh.

Love y'all,
David Gusler
