“ Jean

We are sad to hear of the passing of your Mother.

My Mother, Miss Edna spoke of Hazel very often. Hazel was her good friend.

During Mom's last years, she enjoyed Hazel's company very much.

Our thoughts and prayers are with you and your family during this time and in the days to come. Remember all the good times you had with your Mother. These memories will last and give you joy now and in the future.

May God bless you and your family!

“ Always enjoyed her visits to the Willamette Valley when she came to see Louise and her family. We could never get enough of her accent, just loved conversations and family stories. May God Bless her and all the wonderful family she's left behind.
