“ Ever since i married into this family 54 years ago; I can remember going down to visit Hedgeman and Helen when we lived in Michigan and he had a special way of making you feel right at home. They would have a house full, not an empty bed and pallets on the floor and Hedgeman would quietly pick his way over all of us there to head out to work early in the morning . He loved his family and was dedicated and loyal to the people he worked long hard hours for. I can remember the mornings that Jr and I sat around the breakfast table with Hedgeman and Helen and Hedgeman had this little thing he would do with his bowl of cornflakes and banana. He would take the back of his spoon and push the flakes down in the bowl all the while talking with us, I can't tell you how many times he would do that but that is just one of the many things that was Hedgeman. Hedgeman adored his daughter Elaine and cherished his grandchildren Heather and Garrett and David was his right arm. We were blessed to have him in our lives. May God comfort you Helen, Elaine, David, Garrett, and Heather as only He can. We love you all and know our brother-in-law is rejoicing in heaven around Gods' throne.

“ As a hospice volunteer sitter, I had the privilege of spending an afternoon with Mr. Rodgers. He shared some memories of his two brothers who passed away in tragic circumstances, his family, and his work friends. I met Helen, his devoted wife of 65 years and his loving family. My condolences to their family during this time of remembrance.

“ *When I was a young girl I thought this man was a giant. As I grew older I realized he was just a gentle giant of a man that loved his family . I remember he would work long hard hours and come home to family visiting from Michigan and he always found time to play awhile. What a great brother in law. So sorry for your loss Helen, Elaine, David ,Heather and Garrett. Love you all!*
