“ *I was so saddened to learn of "Miss Heidi" passing. She was a dear sweet lady. I have many memories of talking with her and she brightened my day every time. I cherish the memories and will think of her with a smile.*

“ I enjoyed Mrs. Heidi's company throughout my time in Saluda. She and her late husband, Mr. Ray, were always very cordial, receptive, and hospitable to my family (mom, dad, Julie, Opa, and me).

I was privileged to visit their home multiple times. Similarly, my family was privileged to host the Fraziers for dinner once at our home in the Hollywood School community.

I will never forget the Saturday that she and Mr. Ray allowed me to fish their backyard, ornamental pond when I was in middle school (big catfish in there). In addition, my father and I watched a few football games (college and NFL) with them at their home over the years.

Their home was always neat and tidy and filled with friendliness. Their yard was always beautifully manicured.

Oh, they loved their pets. Over the years, they had so many cats and dogs. Their pets were well-fed, too! They were certainly "animal lovers."

Even though I have not seen Mrs. Heidi in over a double digit number of years, I know I will miss her just as I do Mr. Ray. Thank you, Mrs. Heidi, for having a positive impact on my life!

Rest in Peace, Mrs. Heidi!!!
