“ There are so many wonderful things I could say about James and the time I've been blessed to spend with him. I am so thankful for the friendship, guidance, and love James gave to me. I will miss our conversations, his laugh, and his most of all the love he freely gave to his family.

James fought a good fight and maintained his warmth and optimism right up to the end. Pauline was by his side constantly and spent so many days with him at the hospital, always supporting him and encouraging him. He loved her dearly and often thanked her telling her how much he loved her. Donna, Lisa, Ehrin, Riley and Kate were a precious gift to him, and he knew how to appreciate them and let them know how much he loved them as well. He was so proud of each one of them.

James was a hard worker, but knew how to relax and play. I will always remember his love and kindness...and ability to laugh easily. We had so many precious times together through the years; many where he would talk of his faith and love for God. He was a true servant and a cornerstone at Red Bank.

He was an encourager and a good listener - he loved my family... and many others. I will forever keep his last text message to me in which he told me that me and my family were always in his thoughts and prayers and prayed for a long and happy marriage for Joey and Ashlie. The hole in my heart for the loss of my friend cannot be fixed.

A big HUG to his family.

James was a wonderful mentor to me as a new hire at Milliken. He was patient, knowledgeable and was such a tremendous source of admiration in my young career. I was truly amazed by professionalism and courtesy to everyone he encountered. I remember the skill he had making all situations positive regardless of the source, and I am a better because of that and his witness to others in his love of Jesus and family
