“ Eric and I served in the Marine Corps together. He was one of my Junior Marines/ Machine Gunners. He was not only an Incredible Marine, but an amazing Man in general! He had a smile that was contagious and a joke that would make everyone laugh no matter how serious things were or how miserable we were! He always had a willingness to learn and stood ready no matter what dangers were ahead of him. His selflessness, kindness and bravery were like no other! I am humbled and blessed to have known him. He was a true Warrior and a Hero. Until Valhalla Brother!
