“ *Cindy, I am glad you and Glenn found each other and had some time of for joy along your journey. I remember seeing ya'll early on at the state fair with you both holding hands, talking and smiling and thinking how blessed you were to have each other. That is a rare thing as we get older. I'm sorry Glenn's health was compromised so much of your time together; however, joy was surely a large part of your time too. God bless you and all your family and give you peace. Love to you,*
