“ Ms. Wanda and Family,

Jimmy was a Very Nice Man! He loved sitting up at the 7-11 cause it gave him the opportunity to see and talk to all the folks around Saluda. He is truly going to be missed by all who came in contact with him.

He was like a Daddy figure to me. There have been times he prayed for me up at the 7-11 when he knew I was burdened. He knew that God was the answer to every situation in our lives.

I am sure that up in heaven he is rejoicing and talking with all those who have gone on before him. Heaven has just been brightened up with a New Angel!

Ms. Wanda he loved you very much and talked about you often. He was so proud of his children and grand children. I know he felt blessed beyond all measure for the family God blessed him with on this earth!

My prayers go out to you all for the great loss you have suffered!

I am going to miss this Precious Man!
