“ Keelie and family, I remember Mrs. Shealy always helping at the school and with events for dance class. She was always so sweet and so kind. Yet, she still knew how to keep us in line. We knew not to play when she was around. I am truly sorry to hear of her passing, and I am praying for you all.

“ *We are so sad to hear of Janice's passing!She was finally getting more able to get around and out and about! It was s real shock to our family!! She was a sweet loving mother who loved and missed her precious grandchildren and the love of her children a lot more than they realized!! She had many friends and loved to use social media after she was able to use it! She endured many hurts in her life but I pray she is in a much better place now!! She will be missed a lot by us ,her family and friends!! We Loved her very much and this has been heartbreaking to us all!!*
