“ *The Saluda County Community has, yet again, lost a Great man and a good person.*

I, fortunately was raised up around this man, and I appreciated the fact that I was. J.L

as we knew him was always there in support of us young boys, be it in our athletic endeavors or anything else that were involved in. We will sorely miss him. But I know that heaven is a better place now that he is there and we will see him again one day in the Sweet By & By

With Love & respect
