“ Susan and family, we are sorry for your loss and you will be in our thoughts and prayers. I remember you and John being at Deans Chapel on July the 5th. We had a special service that day, John played the piano and him and Connie sung. It was a awesome service one that we will never forget. He will be missed by a lot of people.

“ I am saddened to hear of John's death. I have known him practically all of my life. His talents were amazing. I will always remember us leading the Homecoming service in August 2002 at Trinity Lutheran. He played the piano as he and Connie sang and I played the organ for the service. We always had good conversations whenever I would see him. Today I had part of my middle toe taken off. When I posted that this past Thursday, he sent 3 folded hands in prayer for me. Who knew then? Mrs. Bennett and Connie, he was a wonderful son and brother. I am definitely going to miss him. Ride with the angels, John.
