“ *John (Doc) was a good karaoke friend of my wife Shelley and I. We first met him at Buffalo Creek while singing karaoke, and more recently at TB Shack and Highway 78 bar and grill. We enjoyed his booming solos and also him and his wife Wendy singing together. He was a good man and will surely be missed by all of us. We pray for his wife and family in these sorrowful days. We are pleased to have known him and we are sure that God has a place for him in his heavenly choir.*
