I'm thankful for the trip to South Carolina when I had the privilege of meeting him with my Grandpa(His brother Bill) I'm also thankful for his testimony in our family, may be be at peace in his final resting place. 1 Peter 1:3-4 "Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead,

“ Blanton and Anita Smith offer our sincere condolences to the family of John Turner.

I,Blanton, worked with John for over 20 years. I can truly say that we had a lot in common, and that is love and respect for all people. We would often run into each other in the hospital and nursing home facilities, visiting the sick and having prayer with them. To me, John was a brother in Christ Jesus. I am going to miss him dearly. I thank God for our brotherly relationship.

“ Another MARINE is called to his final formation. On behalf of the members of Lakelands Marines, Detachment 1112, we offer our sincere condolences to John's family and friends. We honor John for his courageous service during the Korean War and for his lifelong service to his fellow veterans. John Turner was a true gentleman in every sense of the word. His devotion to his wife during her illness and his faithful dedication as Chaplain at both NHC and Self Regional attest to a life spent in service to his fellow man. He not only preached the scriptures, he lived the scriptures. While we mourn his passing, we pause and give thanks to Almighty God that men such as John Turner lived and that we were blessed to have known him. John Turner was truly Semper Fidelis.

“ Debbie & Phil KEMP lit a candle in memory of Reverend John Harold Turner

Debbie & Phil KEMP - February 26, 2015 at 09:59 AM

“ *Mr. Turner was the sweetest person. He always had a smile & always gently greeted everyone at least with a smile & tip his hat. I met Mr. Turner through my husband ,Phil .They worked together at "Neptune" for years (70s' & 80s') & Phil often spoke of him with great respect. Everyone of the "old original crew" at Neptune loved & respected Mr. Turner.*

I did not know his deceased wife well but am sure she was precious and I could tell he dearly loved her. He often talked about visiting her .I know today God has a great man with a loving smile to gently greet & "tip his hat" at the pearly gates! He was loved & respected by all.

Mr. Turners' Family and friends are in my prayers. His life and memories should be celebrated as he is home now and with beloved wife.

With prayers & memories
