“ Look what's happing in Heaven  
A cheer went up as Granny walked through  
the gate  
And the change in her oh what a difference  
Why she's as young and as beautiful as a  
babe  
And guess who's got His arms around her  
He just wiped the last tear from her eyes  
He said child welcome home forever  
Come and rest by the river of life

“ I remember growing up and going to their house and Aunt Lizzies but it seems you turn around and time has gone. My prayers are with the family and I know God has given her peace and she is in no pain.
