“ *There are three simple words to say to you all.... God loves you.... through everything you have had to face and beyond. God loves Judd..... and now he rests in his arms. God will love you..... in all the days and years ahead. Please know if there is anything we can do, we will. We could never repay your kindness you share with us but if we can, please ask. We leave you with this prayer, "Be near me Lord Jesus, I ask thee to stay. Close by me forever and love me I pray. Bless all the dear children in your tender care and take us to heaven to live with thee there."*

Allison & Brandon, for once I have no words to express how very sad 😞 I am for you two, Judd's grandparents and aunts, uncles and cousins who all eagerly awaited his birth. I cannot imagine your grief, so I will not say I know how you feel. Now will I know say God needed another angel—we know He could have made his own. I have prayed for y'all every day and will continue to do so until you can find the strength to go on with life. Allison, I have loved you since the moment I met you. You and Brandon would have been awesome parents. Jewell
