“ Praying you and your family are surrounded by God's comfort and strength during this difficult time as you cope with the loss of your loved one. There are places within our hearts that can only be filled with memories. The special people in our lives are never really gone. They have a cherished place in our hearts where they will always be remembered. I know Wallace & Marlene greeted Justin with open arms. Thinking of you and your family with sympathy and hoping you find comfort in your special memories. Polly Derrick & Family

“ *My Heart goes out to Justin's Family and friends. Pray God wraps his arms around them all through this hard time and many days to come. The comfort in knowing that he is with his Dad Wallace and Mum Marleen now. Do not shed a tear for him cause he is smiling and happy as can be. Waiting till one day it is your turn for that journey for that family reunion but until shed no tears for he is happy. Go on living your life to the fullest till you meet again. He had lots of friends and family who love him and will miss him dearly.*
