“ Was sadden to learn of nurse Karen passing. I had the pleasure to get to know her during her time at the paper mill in North Charleston. I found her to be a compassionate, caring, cheerful person with a great smile and good sense of humor. May she rest in peace with the Lord after her long illness. Thoughts and prayers are with her and her family.

“ I loved me some "Gabby" Whenever I saw her she always had a warm smile on her face and a big hug to give. She always made me laugh. I remember Schayla's high school graduation gathering at Folly Beach, I was told I could find Gabby on the rooftop. When I got to the top, she told me she was trying to get a tan and she wanted to get as close to the sun as she could.

*Please accept our deepest condolences for your loss. We will be keeping you all in our thoughts and prayers. Ron and Teri Axson*
