“ Robert and family, so sorry about Kathy. She fought a good fight...I saw her several times over the years in Lexington, when she was on her way to doctors or treatments. Sorry I missed her service, but I have just seen the obit.

“ I have never met a women that even comes close to the woman that you are. You always put everyone else first. Your joy came from being able to do for your family and you did it so unselfishly. Even in your sickest moments, you didn't complain, instead you rolled up your sleeves and kept on going. I love you Memaw and thank you for our talks. You will never be forgotten and I hope you know how much you meant to me...
