“ Daisy Alice and I wanted to light a candle to let you know how much we felt Mr. Lewis lit up the bus and our lives on our trips. We enjoyed the times when he had to get the drivers out of a mess and "drive" for them. He and Mrs. Evon made the bus trips not just a bus but a real "party bus." We love them both so very much. Even the grandchildren who went to Ohio with us on the trips were enthralled with all his jokes. Of course, they thought all us old folks were kind of funny in different ways; however, they fell in love with all of the seniors by the time the week went on. May God give ya'll love, joy, peace and calm as you travel the road ahead. Dianne and Gordon, you will still have quite a rough time. God will be your strength and ease as you hold on to each other. We love you.
