“ I am so sorry for your loss, James. Losing your Mom is one of the hardest things you will ever have to deal with in this life. My prayers are with you and your family. To me, Rhetta was a very special person. I knew her as a hard working woman, who, not only worked outside the house but took care of those that needed her at home. I would consider her a caregiver, regardless of who/what/when and where. The last time we spoke she still had that uplifted spirit. She will be greatly missed on this earth but is now the angel she already was.

“ I loved this woman. A heart of gold and never without a smile on her face. It had been over 6 months since I spoke to her and she never mentioned being ill. Just like her, she was a strong woman who didn't like to worry others. RIP Rhetta, God truly has another angel. My condolences to the family.

“ Ms Retta was an awesome, beautiful person on the inside and outside. You never saw her without a smile on her lovely face. I always enjoyed seeing her anywhere. We would sit together at funerals and would joke to each other about us making the other one behave. I will truly miss her. I wish I could be half the person she was. The memories will always remain with me. Kent, James, Sherry, Wayne, Patrick and the rest of the family you had an amazing Mom and Grandmama to be very proud of. My prayers are with you all! 🙏😊
