“ As a child, my grandmother lived behind their house. I marveled as they played basketball in high school. They didn't have height, but they had speed and precision. When I returned to Saluda in 2007, Lillie was already living with her Mama and it wasn't long before Lucy came to Saluda, too. I enjoyed our times of playing cards with her and my short trips with Lillie. Praying for the family to cherish the memories and keep them alive.

“ From preschool years at Red Bank Baptist Church, through grades 1-12, through varsity basketball years at SHS, Lucy was very dear. In these last years of decreased health she exhibited strength and an uncomplaining spirit. She will be missed. Paulette Corley Rollins

Lillie and Lucy were always so much fun to be around because they giggled at everything and made us all laugh. I know Lucy will be missed by all of her family and friends. Barbara Keisler Bishop
