“ *I met Deannie when I was a teenager and started dating Mike. She always looked at all perspectives. She was honest and would give you advice if you asked and you may not like but she told you the truth whether that's what you wanted to hear or not. It took me many years to figure that out about her. She loved her family unconditionally. Deannie we all love you so much. Thank you for helping me grow up and become a better person for having you in my life.*

“ *Deanie & Morris loved to open their home to entertain their choir & SS classes. You could depend on them to have the Christmas parties. Deanie would turn her house inside out to make it holiday ready.....she was a true Southern lady. Ora Corley*
