“*Marian Griffith was a most excellent person and of exceptional character! Such people do not come by the dozen these days.*

For many years she was my prayer partner. She always had time for me. (It is bringing me to tears as I write this.) She could pray! I found this prayer time with her to be so powerful especially during my battle against two cancers! Without her fervent prayers, I would not have defeated both cancers!

She loved her family beyond description; more than words could illustrate. She also loved her church, Saluda Pentecostal Holiness Church. Most of all, she loved Jesus Christ. She was dedicated to the Christian faith and it showed!

For years, she wrote the bulletins for her church. She would always bring me a copy of one from each Sunday when she came for her weekly hair appointments. Those bulletins were well-written and well-organized. I always liked the humor section in those bulletins.

Marian had the heart and spirit of a servant. There is no doubt in my mind that the moment she closed her eyes here on earth and opened them in heaven, the first words she heard were, "Well done, my good and faithful servant."

I will never forget you, Marian Griffith!!

“ A delightful friend that I got to know through the Saluda Senior Center. Charming and entertaining to all who knew her who has already been missed the last several years when she went to live in the nursing home she spoke highly of. She was also a next door neighbor to my wife Sheryl who grew up in New Ellenton as it turned out.

“ Judge Griffith, I am so sorry. It always amazed me the stories you would tell about your Mom. She lived a very long life. May God Bless you and your family. I am praying for you.

“ Ms. Griffith was no doubt one of the sweetest ladies I've ever known. I am so going to miss her at SNC. I asked her one time how well she slept at night, because I knew she either had to sit in a chair or stand in the corner, cause nobody would look like she did if they actually laid in bed at night. She just laughed. She always looked like she had just left the beauty shop. She was 1st class. My condolences to the family in your loss.

A wonderful lady. She was a great example of a dedicated Christian. She was our church secretary and a next door neighbor. I love the Griffith family. I served as their pastor a few years ago.
