“ Marie was my second mom she took care of me when mom was working. I remember when she married Jim. Then during their early years of marriage I would go and spend summers with them. Then I remember when little Jim was born I cried because he was not a girl but was loved. Then came Watson then came Frank. She was my sister and I lived her very much. She will be missed .

“ To all of Mrs. Marie's family,  
We were saddened to read of her passing, but we know that she is more alive now than she has ever been! God blessed her with abundant life for many years here on the earth, but now she is absent from the body and present with the Lord, enjoying eternal life forevermore. We will remember her as a God-loving, family-loving matriarch who was a blessing to each of you and to the community. We know that you will miss her greatly, but will look forward to that glad reunion day on heaven's shore! May God's Spirit be your Comfort and Guide as you move forward in life. Our love and prayers are with each of you.

My condolences to you and your family.  
I did not have the pleasure of meeting your mother, but if you are an indication of her character, she must have been awesome.
