“ The Alton Witt family and their children including Marlene were a big part of my growing up life in the Good Hope Community of Saluda County.

Later in life, she married my cousin Joe Ed. I am so very sorry to hear of her passing. She was a beautiful lady and a talented pianist and organist and forever I Will remember her on one side of the sanctuary and my aunt, Maude Polatty on the other as they offered beautiful music to the congregation and the glory of God. Blessings and love to all the family.
