“ I am so sad to see this. We grew up together going to Richland Springs Baptist Church. While the adults would congregate outside under the old trees, we would play on the grounds. She and June were so strong. They would take our arm and leg (on the same side) and twirl us around and around like an airplane. That was so much fun for us. After she retired and moved back to Saluda, she would drop by to visit and reminisce. Such sweet memories. Fly high, sweet friend. You will get to see Mrs. Mattie again.
